AMERICAN NAZI PARTY OF THE WORLD UNION
OF FREE ENTERPRISE NATIONAL SOCIALISTS,
aka THE GEORGE LINCOLN ROCKWELL PARTY

In his book "This Time The World", copyrighted in 1961, George Lincoln Rockwell identified himself as Commander, American Nazi Party of the world Union of Free Enterprise National Socialists (ANP-WUFENS), Arlington, Virginia.

The April 4, 1963 issue of "The Richmond News Leaders", a Richmond, Virginia daily newspaper, reported that George Lincoln Rockwell had, on the previous day, again applied for the American Nazi Party to be chartered in the State of Virginia, but this request was turned down by the Virginia State Corporation Commission. This action was taken pursuant to an act of the 1962 Virginia Assembly which prohibits the use of "Nazi" or "National Socialism" in a Virginia charter. This article further pointed out that Rockwell's party is presently chartered in the State of Virginia as the George Lincoln Rockwell Party.

[REDACTED] a source advised that the ANP-WUFENS was organized by George Lincoln Rockwell at his residence in Arlington, Virginia on February 26, 1959 as an international "National Socialist" movement based on the German Nazi Party headed by Adolf Hitler. He added that Rockwell is the dominant force and personality in this party; that he is espousing a "line" of hatred against the Jews and Negroes; and that he is seeking, through speeches, distribution of literature and picketing, to establish a cohesive and dominant political party in the United States and in foreign countries.

[REDACTED] b7d
his source advised that in about September, 1960, the ANP initiated the Fighting American Nationalists (FAN) as a front group for the ANP, although it has never been a separate organization. He said the FAN name is merely used on occasion instead of the ANP name and there are no separate officials for FAN, the FAN officials being identical with the ANP officials.

[REDACTED]

He added that the ANP has operated under the FAN name throughout the country with the exception of a group operating under the FAN name in Baltimore, Maryland. He said the FAN group in Baltimore is now, and always has been, a separate organization and not a part of the ANP.

On October 3, 1963 [REDACTED]

[REDACTED] advised that the Baltimore FAN, which was organized in the Spring of 1961, has no official connection with the ANP, although until December, 1962, it received all its literature from George Lincoln Rockwell's ANP. b7d

According to the "Stormtrooper's Manual", an official publication of the ANP, the phases of ANP struggle for power are fourfold, namely, first "to make ourselves known to the masses"; second, "the dissemination of our program and the truth about the Party"; third, "organize the people who have been converted to our propaganda"; and fourth, "that attainment of power through the votes of the newly-won masses."

EXCLUSIVE TO WALTER WINCHELL.....

OCT. 28, 1964

One of the most vicious and dastardly whisperings that appears to be gaining momentum takes the gutter-sniping presidential campaign right into the sewer. It is alleged that Senator Hubert H. Humphrey is a dupe and pawn of the Communists and was maneuvered into the second slot by Moscow adherents to deliver the White House to them when he follows President Johnson there upon the assassination of LBJ immediately after the inauguration.

This came from Walter Freeman, book editor for the N.Y. Express, who stated it was uttered by Elaine Sheppard, former UN correspondent for Hearst Headlines and now with the Express. Freeman was talking with Miss Sheppard, Vincent Lopez and Nick Kenny at a meeting in Igor Cassini's home when this statement was made. Freeman was not sure if it was the gal's opinion or something she heard.

Mentioned this to a gal in our office who called a friend at the NEA syndicate - a Russian expert - who stated he had heard it before and dismissed it as: "Just the thing you expect to hear in a dirty campaign."

Could be something you can see might be worth sinking your teeth into. You're the only guy I know with enough guts and it might be a thing you would pass along to your friend

JOHNSON AND VICE PRESIDENTIAL
CANDIDATE HUMPHREY

On November 2, 1964, [REDACTED]
[REDACTED] "The Orlando Sentinel", daily newspaper, 633 North
Orange Avenue, Orlando, Florida, made available the original
of an anonymous letter received by his newspaper office on
November 1, 1964. b7c

The letter, which is addressed simply to "Orlando
Sentinel", no street address, city, state, or further identify-
ing data being given, was handprinted with pencil throughout.
The envelope is of the plain, white variety, measures 9 $\frac{1}{2}$ " by
4 1/8", bears no return address, and is postmarked October 31,
1964, at Orlando, Florida.

The two page letter is written on regular lined note-
book paper, size 8" by 10 $\frac{1}{2}$ ", is unsigned, and reads as follows:

"This is not a joke. It's serious. There has been so
much talk and wondering why Kennedy was killed I
want people to know why Johnson gets it. I lost a
son and daughter in Roosevelt's World War II, my
friend lost two sons. I lost a grandson in Truman's
Korean War, my friend lost a son in Kennedy's Bay
of Pigs. We each have grandsons in Viet Nam war.
Expect to hear any time that some of them have been
killed.

"All these wars was unnecessary and the billions of
dollars spent and given away was wasted. If the
fool presidents had not given other countries
money they would not have been able to make war.
Wars go on and always will as long as they get
free money.

"We are two old men who have nothing to live for. Our only aim is to stop this fool Johnson and Humphery. We have followed them all over - not to adore them but to see how easy it will be to kill them. There is no problem to that. We have seen many chances. Kennedy was right when he said if somebody wanted to kill a president they could regardless of safety measures and guards. We have been following ever since they were nominated. Have lost a few days because I got the dam virus but we are on our way again. It won't be long now if it turns out as most are expecting. Of course we will be killed if this comes off but thats ok we are both old and sick and nothing to live for. This will be the last thing we can do to help save this country and the men and money. This is irony. We have ben Democrats. I have the same name as one."

[REDACTED] said that instant letter passed through the mail room of "The Orlando Sentinel" on November 1, 1964, where it possibly could have been handled by one or more unidentified employees, and it was then routed to his, [REDACTED] desk.

He stated that he had no idea as to who could have written the letter, and could think of no logical suspects in the matter. [REDACTED] pointed out that his paper receives numerous anonymous letters of the "crack pot" variety especially just prior to elections; however he considered instant matter to be "more extreme in its contents" than the usual letters received. b7c

SUBJECT: "JOHN" - ALLEGEDLY GODSON OF
SENATOR HUBERT H. HUMPHREY

ALL INFORMATION CONTAINED
HEREIN IS UNCLASSIFIED
DATE 6-9-82 BY 2858/SP/BJP

I asked Walter Jenkins, former Special Assistant to the President, on October 9, 1964, after referring to a letter sent to him by the Director dated September 30, 1964, and enumerating the details of a memorandum dated September 29, 1964, if Jenkins possibly had any knowledge of who the captioned individual might be.

As of October 15, 1964, while briefly visiting Jenkins with his [REDACTED] I told Jenkins this matter had not been clarified and asked him if he had pursued it any further. He stated that the President knew of this matter and had had him discuss it with Senator Humphrey. He mentioned that Senator Humphrey would undoubtedly advise [REDACTED] or the President if he could recall the individual who answered to the description of "John."

On 11/2/64 [REDACTED] advised me that Senator Humphrey had indicated to her office that he simply could not recall anyone answering this description. He stated he had no idea as to who the individual named "John" might be. Senator Humphrey thought that this was a fictitious set of facts.

[REDACTED]

It was, therefore, recommended that the White House be put on notice concerning this information. This was done in accordance with the Director's letter to Jenkins dated September 30, 1964, and as a result of my conversations with Jenkins.

ACTION:

It is suggested this memorandum be forwarded to the Domestic Intelligence Division for information.

SUBJECT: NAME CHECKS REQUEST FOR WHITE HOUSE

[REDACTED] of the White House Staff in early November furnished the names of individuals on the staff of Senator Hubert H. Humphrey and requested that a file check be conducted on these names. The central files were checked on these individuals and the results furnished to the White House by letter dated 11-16-64. The results of a check of these names through the FBI Identification Division files were forwarded by separate communication. It was determined in checking the names through the Identification Division, that certain of the members of Senator Humphrey's staff did not have civil fingerprint cards on file. Therefore, the White House was requested to furnish fingerprint cards for these individuals so that a positive check of the files could be made.

[REDACTED] is the last of the employees concerning whom the White House has furnished fingerprint cards in accordance with above request. Her fingerprints have been checked through the files of the Identification Division and no arrest record was located. Attached letter, over the Director's signature, is to advise the White House of the results of this fingerprint search.

RECOMMENDATION:

That the attached letter from the Director to Mr. White be approved and sent.

On March 30, 1965, an Agent of the Denver Office of the Federal Bureau of Investigation contacted captioned individual at his place of employment, [REDACTED] Denver, Colorado, at request.

At this time, [REDACTED], advised that he has corresponded numerous times with Senator "Bobby" Kennedy of New York and Martin Luther King concerning the well-being of King. [REDACTED] then furnished a copy of a letter dated March 26, 1955, which he wrote, and the original was apparently mailed to Senator Kennedy. This letter reads as follows:

"Dear Bobby,

"I believe that Dr. Martin Luther King and Vice President Humphrey are well guarded during these critical times but, I still fear for their lives because their violent death at the hands of southern racists would cause so much discredit to our beloved America.

[REDACTED] then stated that his main purpose in "talking to the FBI" is that he is desirous of expressing his fear and opinion to J. Edgar Hoover that Dr. Martin Luther King, due to his demanding attitude and his unawareness of communist infiltration and use of racial unrest and violence, is in danger of being assassinated by "racists, communists or Black Muslims." [REDACTED] stated that this is merely his opinion and he knows of no threat to the life of Martin Luther King.

3. King must be convinced of the danger of communist threats.

CRIME RESEARCH

HAYDEN HELPS OUT

Humphrey Gets a Base

Vice President Hubert H. Humphrey's Capitol office problem, more acute than when he was in the Senate, has been solved after a fashion.

Until something better turns up, the vice president will make an ornate room behind the Senate chamber his working as well as his ceremonial office.

The staff he will maintain in the Capitol, where he is required to spend much of his time, will be quartered across the visitors' lobby in a long and narrow office. It was released to him by Sen. Carl Hayden, D-Ariz., the president pro tem of the Senate, in one of those acts of generosity for which the Senate is sometimes noted and sometimes not.

That office once served as a reception room for President Johnson while he was vice president and before that while he was Senate majority leader.

The large office that Johnson used himself is held now by the Senate Democratic leader, Mike

Mansfield of Montana. Before it was taken over by Johnson several years ago, it was the Senate District Committee Room.

After Johnson as majority leader acquired it, the large room was redecorated in what some considered rather fanciful fashion. Some even called it the Taj Mahal.

If his Capitol quarters are a bit crowded—and separated to boot—Humphrey is not quite in the tenement class.

He also has a suite of six rooms in the New Senate Office Building. In addition, he has been assigned a suite of four rooms, reported as being quite nice, on the first floor of the Executive Offices Building, just across West Executive Avenue from the White House.

These are used when the vice president is wearing one of his several hats as the administration's coordinator of the poverty and civil rights programs and as chairman of the

Space Council and the Fair Employment Practices Commission.

Any day now, the vice president will surrender the Capitol offices he held as Democratic whip while in the Senate. They will go to Sen. Russell B. Long, D-La., who succeeded him in that position.

Aides reported that Humphrey, thanks to a quiet weekend, had fully recovered from "an executive cold" that afflicted high administration officials from the President down after the inaugural ceremonies.

Humphrey, the aides said, cancelled all social engagements over the weekend to throw off the cold that, while nagging, never forced him to go to bed.

The vice president has at least one trip ahead during the month. This is a visit back home to Minnesota for the Winter Carnival at Shattuck Military School at Faribault. His son Douglas, 16, is a student there.
